Center for Worship & the Arts

In 2020, Coral Ridge launched a vision campaign to transform our campus to meet the critical ministry needs of our day. This plan includes a complete renovation of the Kennedy Fellowship Hall which served for over 30 years as the home for the Contemporary Service. Construction is now under way for a fully-renovated space for Contemporary Worship and Fine Arts. The new space will be equipped with state-of-the-art sound, video, and lighting systems. The new stage addition will be built out on the south façade and will be equipped with an orchestra pit, a theatrical rigging system, and backstage dressing rooms and storage.

Christ-Centered Worship

“

The liturgies of the church through the ages and the consistent message of Scripture combine to reveal a pattern for corporate worship that is both historical and helpful for our time. Christian worship is a “re-presentation” of the gospel. By our worship we extol, embrace, and share the story of the progress of the gospel in our lives. We begin with adoration so that all will recognize the greatness and goodness of God. In the light of his glory, we also recognize our sin and confess our need of his grace. Assurance of his pardon produces thanksgiving. With sincere thanksgiving, we also become aware that all we have is from him and that we depend on his goodness for everything precious in our lives. Thus, we are compelled to seek him in prayer for our needs and his kingdom’s advance. His loving intercession makes us desire to walk with him and further his purposes, so our hearts are open to his instruction and long to commune with him and those he loves. This progress of the gospel in our lives is the cause of our worship and the natural course of it. We conclude a service of such worship with a Charge and Benediction because the progress of the gospel is God’s benediction on our lives.”

Song Selection

Songs will be selected weekly in collaboration with the Senior Pastor. Every worship song should be theologically sound, Christ-centered, and singable by every member of the congregation.
